2nd German American Energy Conference 2010

March 22 - 23, 2010 in Berlin

Mark Tomkins

Vice President

German American Chamber of Commerce of the Midwest, Inc.

Professional Career

Mark Tomkins joined the German American Chamber of Commerce of the Midwest in March 2006. Prior to this, Mark spent over 10 years in business development consulting, working with businesses throughout the world in developing strategic alliances and long-term cooperation.

Prior to this, Mark worked in the automotive and IT industry in Germany and the US. Mark's expertise lies in market entry strategy, structuring strategic partnerships and market research, especially in the fields of manufacturing technology and renewable energy.

Within the Chamber, Mark has been responsible for numerous initiatives including multiple conferences, business delegations and pilot projects on Wind Energy, Bioenergy, Green Building technologies with a particular focus on the supply chain for renewable energy technologies. He regularly advises clients on their market entry and partnering strategies in these fields.

Education

Mark graduated from Northwestern University in Evanston, IL with a B.A. in Applied Mathematics (Honors Program), Economics and German.
